AMENDED STIPULATED ORDER REGARDING PRELIMINARY APPROVAL OF CLASS ACTION SETTLEMENT, NOTICE AND SCHEDULING

At a session of said Court held in the
City of Howell, County of Livingston
State of Michigan on
PRESENT: HON.
Circuit Court Judge

Plaintiffs commenced this action in the Eastern District of Michigan which was dismissed by stipulation and refiled as the above captioned lawsuit (the "Lawsuit") in Livingston County Circuit Court challenging an initial assessment of \$12,400 per Residential Equivalent Unit ("REU") (the

"Assessment Charge"), a debt service charge (the "Capital Charge") and an operations and maintenance Charge (the "O&M Charge") imposed by the Township on users of the Township's sanitary sewer collection and treatment system (the "Sewer System"). Plaintiffs allege that the inclusion of such charges in the Township's sewer rates (the "Rates") are motivated by a revenue-raising and not a regulatory purpose, that they are disproportionate to the Township's actual costs of providing sanitary sewage disposal services, and that (1) the Charges are therefore unlawful under the Headlee Amendment to the Michigan Constitution; and (2) by collecting the charges, the Township has unlawfully retained the charges under other statutory and common law theories. On May 16, 2017, the Named Plaintiffs filed a First Amended Complaint in Livingston County Circuit Court which removed the claims based upon the Assessment Charge, but continued to assert claims based upon the O&M Charge and the Capital Charge (collectively referred to hereafter as the "Charges").

Plaintiff and Defendant seek preliminary approval of the of the Class Action Settlement Agreement to resolve this Lawsuit (referred to as the "Agreement" and attached as Exhibit 1) for purposes of, among other things, notifying class members of the proposed settlement; and intend to make application to this Court, pursuant to MCR 3.501(E), for a Final Order approving the settlement of this class action in accordance with the terms set forth in the Agreement ("Settlement");

The Court has been made aware of the process leading to the Agreement reached, and counsel have demonstrated that the Settlement was the result of arm's length bargaining of counsel well versed in all of the issues, along with the assistance of a Court appointed mediator.

IT IS HEREBY ORDERED:

1. The Court preliminarily approves the terms of the Agreement, and pursuant to MCR 3.501, the "Class," as defined in Paragraph 2 of the Agreement, is hereby certified for purposes of the Settlement provided in the Agreement only.

- 2. A hearing (the "Settlement Hearing") will be held before this Court on April 26, 2018, at 9:30 a.m. to determine whether the proposed Settlement on the terms and conditions provided in the Agreement is fair, reasonable, and adequate and should be approved by the Court, to determine whether a final judgment should be entered dismissing this Lawsuit with prejudice, and without costs, and to determine whether to award attorneys' fees and expenses to Class Counsel and the amount of such fees and expenses.
- 3. The notification to the members of the Class regarding the Settlement, as authorized in Paragraphs 4 and 6 of this Order, is the best notice practicable under the circumstances, is in compliance with MCR 3.501, and the requirements of due process of law, and will adequately inform class members of their rights.
- 4. On or before 28 days from the entry of this Order, Plaintiff's Counsel shall cause a Notice of Proposed Class Action Settlement ("Notice"), substantially in the form attached to the Agreement as Exhibit "D," to be mailed to members of the Class at the service addresses for Defendant's accounts. Plaintiff shall arrange for the publication of notice, substantially in the form attached to the Agreement as Exhibit "E", in the Livingston Press & Argus newspapers on three occasions prior to February 28, 2018.
- 5. The law firm of Kickham Hanley PLLC ("KH") is hereby appointed as Claims-Escrow Administrator for this Action. KH is authorized to use the services of the Garden City Group, as provided in the Agreement.
- 6. Any Class member that has filed and served written objections on or before March 6, 2018 in the manner described in Exhibits D and E of the Agreement, may appear personally, or by counsel of his or her own choice and at his or her own expense at the Settlement Hearing to show cause why: (a) the proposed settlement of the claims asserted should or should not be approved as fair, just, reasonable, adequate and in good faith; (b) judgment should or should not be

entered thereon; (c) the Plaintiff attorneys' fees and expenses and Claims-Escrow Administrator expenses should or should not be paid; and (d) the Court should nor should not grant relief on other matter(s) that may be considered by the Court at or in connection with said Settlement Hearing.

- 7. Any Class member who does not object in the manner provided above will be deemed to have waived such objection to the fairness, adequacy, or reasonableness of the proposed Settlement and the awards of attorney's fees and expenses it provides for.
- Administrator. The Claims-Escrow Administrator shall be responsible for holding the Settlement Fund in escrow, reviewing claims for, determining, and allocating each Class Member's Pro Rata Share of the Net Settlement Fund, and filing a report of proposed payment and credit distributions of those Pro Rata Shares as provided in Paragraphs 9, 10, 11 and 12 of the Agreement, and after Court approval at the Settlement Hearing, to distribute and account for the disposition of the Net Settlement Fund as provided in Paragraphs 13, 14, and 15 of the Agreement. The Claims-Escrow Administrator shall also be responsible for: (a) recording receipt of all responses to the Notice; (b) preserving until further Order of this Court any and all written communications from Class members or any other person in response to the Notice; and (c) making any necessary filings with the Internal Revenue Service. The Claims-Escrow Administrator may respond to inquiries, but copies of all written answers to such inquiries will be maintained and made available for inspection by all counsel in this action.
- 9. All papers in support of the settlement shall be filed with the Court and served on the other parties no later than seven (7) days prior to the Settlement Hearing.
- 10. The Court expressly reserves its right to adjourn the Settlement Hearing without any further notice to members of the Class. The Court retains jurisdiction of this action to consider all further applications arising out of or connected with the proposed Settlement.

11. All pretrial and trial proceedings in the Lawsuit are stayed and suspended until

further order of the Court. Pending the final determination of the fairness, reasonableness and

adequacy of the Settlement, no Plaintiff or member of the Class may institute or commence any

action or proceeding against Defendant asserting any of the claims asserted in this action.

12. Subject to the terms of Paragraphs 13-14 below, if the Agreement and Settlement is

disapproved, in part or in whole, by the Court, or any appellate court; if dismissal of the Lawsuit

with prejudice against Defendant cannot be accomplished; if a final judgment on the terms set forth

in Paragraph 25 of the Agreement is not entered within 120 days after the entry of this Order; if the

Settlement Date defined in Paragraph 5 of the Agreement does not occur; or if the Agreement and

Settlement otherwise is not fully consummated and effected:

a. The Agreement shall have no further force and effect and it and all negotiations and

proceedings connected therewith shall be without prejudice to the rights of Defendant, the Named

Plaintiff and the Class; and

b. The Court shall enter a new Scheduling Order granting reasonable continuances of

the previously established scheduling dates, including a new trial date, for the Parties to resume their

preparations for trial and respond to the Court's rulings on Plaintiff's pending class certification

motion and Defendant's pending motion for partial summary disposition.

13. Defendant and Class Counsel may, in their sole and exclusive discretion, elect to

waive any or all of the terms, conditions or requirements, or extend any or all of the deadlines stated

in Paragraph 12. Such waiver or extension must be memorialized in a writing signed by Defendant

and/or its counsel and Class Counsel and delivered via certified mail to opposing counsel, or it will

have no force or effect. Any such waiver or extension shall not be binding on the Court.

Dated: Jan 302018.

CLASS ACTION SETTLEMENT AGREEMENT

This Class Action Settlement Agreement ("Agreement") is made this 220 day of January,

2018, by and between the following (all of which are hereinafter collectively referred to as the "Parties"): Plaintiffs Dennis Shoner and Barbara Potocki ("Named Plaintiffs"), individually, and on behalf of a class of similarly situated persons and entities (as more specifically defined in Paragraph 2 below, the "Class"), acting by and through its counsel, Kickham Hanley PLLC and The Head Law Firm, PLC (collectively, "Class Counsel"), and Defendant Charter Township of Brighton (the "Township").

WHEREAS, on June 20, 2016, Named Plaintiffs commenced an action in the U.S. District Court for the Eastern District of Michigan which was dismissed by stipulation and refiled as the above captioned lawsuit (the "Lawsuit") in Livingston County Circuit Court challenging an initial assessment of \$12,400 per Residential Equivalent Unit ("REU") (the "Assessment Charge"), a debt service charge (the "Capital Charge") and an operations and maintenance Charge (the "O&M Charge") imposed by the Township on users of the Township's sanitary sewer collection and treatment system (the "Sewer System"). Plaintiffs allege that the inclusion of such charges in the Township's sewer rates (the "Rates") are motivated by a revenue-raising and not a regulatory purpose, that they are disproportionate to the Township's actual costs of providing sanitary sewage disposal services, and that (1) the Charges are therefore unlawful under the Headlee Amendment to the Michigan Constitution and (2) by collecting the Charges the Township has been unjustly enriched.

WHEREAS, on May 16, 2017, the Named Plaintiffs filed a First Amended Complaint in Livingston County Circuit Court which removed the claims based upon the Assessment Charge, but continued to assert claims based upon the O&M Charge and the Capital Charge (collectively referred to hereafter as the "Charges").

WHEREAS, Named Plaintiffs claim that the Township has improperly included in the O&M Charges amounts intended to reimburse the Township for attorneys' fees and other expenses it has incurred and/or paid in connection with this Lawsuit (the "Lawsuit Expenses");

WHEREAS, the Complaint alleges that the Lawsuit should be maintained as a class action on behalf of a class consisting of persons or entities who or which have paid or incurred the Charges during the permitted time periods preceding the filing of this Lawsuit and/or at any time during the pendency of this action.

WHEREAS, the Township denies that the Charges are improper; denies that it has intentionally or negligently committed any unlawful, wrongful or tortious acts or omissions, violated any constitutional provision or statute, or breached any duties of any kind whatsoever; denies that it is in any way liable to any member of the Class; and states that the claims asserted in the Lawsuit have no substance in fact or law, and the Township has meritorious defenses to such claims; but, nevertheless, has agreed to enter into this Agreement to avoid further expense, inconvenience, and distraction and risks of burdensome and protracted litigation, and to obtain total and final peace, satisfaction and protection from the claims asserted in the Lawsuit.

WHEREAS, the parties acknowledge the O&M Charges were increased by \$10.50 per REU by the Township Board in February 2017, effective April 1, 2017. The Class Members have alleged the increase was to pay the ongoing Lawsuit Expenses, *infra*, of this litigation. The Township disputes that allegation and would show the Lawsuit Expenses were one of many factors that was considered in raising the rates. The Township represents that even with the \$10.50 rate increase, and without considering Lawsuit Expenses, the Sewer O&M Fund has been operating with an equity balance that is exceptionally low making cash flow difficult to manage (i.e. paying bills on a timely basis).

WHEREAS, there is a subset of the Class that consists of the owners of vacant parcels who have paid, or are paying, the Assessment Charge and Capital Charge for their respective parcels that are set forth in Exhibit B (collectively referred to hereafter as the "Vacant Parcels"). The Township believes there is a dispute, not raised in Plaintiffs' pleadings, as to whether, once a structure is constructed on each of the Vacant Parcels, it is the responsibility of the Township or the owner of each respective Vacant Parcels to (a) pay for the costs associated with providing a grinder pump on the Vacant Parcel, and/or (b) pay for the costs associated with connecting the structures on each of the Vacant Parcels to the Sewer System ((a) and (b) are collectively referred hereafter as the "Sewer Connection Expense").

WHEREAS, some of the owners of the Vacant Parcels allege it is the responsibility of the Township to pay for the Sewer Connection Expense, and the Township alleges it is the responsibility of the owners of each of the Vacant Parcels to pay for the Sewer Connection Expense.

WHEREAS, the Named Plaintiffs in the Lawsuit and Class Counsel have been provided with discovery and have conducted investigations into the facts of the Lawsuit, have made a thorough study of the legal principles applicable to the claims in the Lawsuit, have engaged in several arms-length mediation sessions, conducted by a Court-appointed Mediator, and have concluded that a class settlement with the Township in the amount and on the terms hereinafter set forth (the "Settlement") is fair, reasonable, and adequate, and is in the best interest of the Class.

WHEREAS, the Parties desire to compromise their differences and to resolve and release all of the claims asserted by the Named Plaintiff and the Class in the Lawsuit.

NOW, THEREFORE, in consideration of the covenants and agreements herein, and intending to be legally bound, the Parties hereby agree as follows:

IMPLEMENTATION OF AGREEMENT

1. The Parties agree to cooperate in good faith, to use their best efforts, and to take all steps necessary to implement and effectuate this Agreement and the Settlement provided for herein.

CLASS CERTIFICATION

2. For settlement purposes only, the Parties stipulate to certification of a class, which includes one subclass as defined in this Paragraph (collectively, the "Class"). The Class shall include all persons or entities that are or were the owners or occupiers of the "Originally Assessed Properties" as defined below and who/which paid the Township, or incurred fees, for service from the Sewer System at any time between June 20, 2010 and January 31, 2018 (the "Class"). For purposes of this Agreement, the "Originally Assessed Properties" shall be those properties that comprise the Residential Equivalent Units ("REUs") that were included in the Special Assessment District described in Plaintiffs' First Amended Complaint. A list of the Originally Assessed Properties is attached hereto as Exhibit A and there are 1029 separate parcels listed on Exhibit A. The Parties further stipulate to certification of a subclass, consisting of members of the Class who are the owners of the Vacant Parcels, set forth in Exhibit B (the "Subclass"). The Class does not include the Township itself or any owner or occupiers of any properties other than the Originally Assessed Properties who/which paid the Township, or incurred fees, for service from the Sewer System. This Agreement is intended to settle all of the claims of the members of the Class ("Class Members") relating to (i) the Assessment Charges, (ii) the Capital Charges, (iii) the O&M Charges, and (iv) the Sewer Connection Expenses.

SETTLEMENT FUND

- 3. The Township will create a Settlement Fund (the "Settlement Fund") in the amount of One Million Five Hundred Thousand Dollars (\$1,500,000) in order to resolve the claims relating to the Charges and the Lawsuit Expenses. Within 7 days after the Settlement Date, as defined in Paragraph 5, the Township shall deposit the Settlement Fund into the IOLTA Trust Account of Class Counsel, Kickham Hanley PLLC, such funds will be used to make payments to the Class and compensation and cost reimbursement to Class Counsel, as determined by the Court. The Settlement Fund shall be administered by Kickham Hanley PLLC (the "Claims-Escrow Administrator") with, at the option of the Claims-Escrow Administrator, the assistance of a thirdparty administrator ("TPA"). The expenses the Claims-Escrow Administrator incurs on its own or to the TPA shall be recoverable by the Claims-Escrow Administrator as a cost of the litigation under Paragraphs 29-30 of this Agreement (subject to Court approval) and payable out of the Settlement Fund. The Claims-Escrow Administrator may from time to time apply to the Court for instructions or orders concerning the administration of the Settlement Fund and may apply to the Internal Revenue Service for such rulings with respect thereto as it may consider appropriate. Disbursements from the Settlement Fund by the Claims-Escrow Administrator and the Township shall be expressly conditioned upon an order of the Court permitting such disbursements.
- 4. Except as set forth in Paragraphs 29 through 32 of this Agreement, the Class and Class Counsel shall not claim any attorneys' fees or costs.

- 5. Subject to Paragraphs 9-15, distribution of the Settlement Fund shall occur no later than fourteen days after the completion of the last of all of the following (the "Settlement Date"):
- a. entry of an order of final judicial approval by the Court approving this Agreement pursuant to Michigan Court Rule 3.501(E);
- b. entry of an order adjudicating Class Counsel's motion for an award of attorneys' fees and costs;
- c. entry of a final judgment of dismissal of the Lawsuit with prejudice with respect to the claims of the Named Plaintiff and all Class Members, except those putative Class Members who have requested to be excluded from the Class pursuant to MCR 3.501(D);
- d. the Court's entry of the Distribution Order described in Paragraph 11 below;
 and
- e. the expiration of the 21-day time for appeal of all of the aforementioned orders and judgments and final resolution of any and all appeals of such orders and judgments.
- 6. As more specifically discussed below, and as provided in Paragraph 5, the Settlement Fund shall be distributed only pursuant to and in accordance with orders of the Court, as appropriate.
- 7. In the event that this Settlement fails to be consummated pursuant to this Agreement or fails to secure final approval by the Court for any reason or is terminated pursuant to Paragraph 30, the Settlement Fund shall immediately be returned to the Township.
- 8. The Settlement Fund shall be financed solely from the Township's General Fund as described below. The Township shall not include as a recoverable cost in the setting of the Rates, any amounts that the Township's General Fund has contributed to the Settlement Fund.

- a. The Township has agreed to make the \$1,500,000 payment to the Settlement Fund from the General Fund for the following reasons:
- i. The Township represents that it has previously loaned the Sewer System \$2,385,832 from the Township's General Fund to assist the Sewer System in paying its outstanding sewer bond obligations, its O&M expenses, and Capital Reserve Fund contributions (the "Township Loan").
- ii. There are at least 401 REUs for the Sewer System that have not been allocated to new users, and the current fee for each new REU is \$10,260.1
- iii. The Township Board is willing to have the Township's General Fund contribute cash to the Township's Sewer Fund in exchange for the Township's General Fund obtaining the right to receive the REU charges (currently \$10,260 per REU) for 401 of the REUs to be allocated in the future to new users.
- iv. The flow of funds in connection with the transfer of the right to receive payment for the 401 REUs is set forth in (b) below.
- v. As part of the transfers described in Paragraph 8, the Township Loan to the Sewer Fund and all accrued interest are being paid in full.
- b. The flow of funds for the \$1,500,000 payment to the Settlement Fund shall be as follows:

The Township represents that the original special assessment roll was based on a charge of \$12,400 or \$12,664 per REU, and such charge included the property's allocated share of the costs of the wastewater treatment plant, the transmission lines and the local collection lines. The current Sewer Tap Fee for properties that were not on the original special assessment roll is \$10,260 per REU and such fee includes the property's allocated share of the costs of the wastewater treatment plant and the transmission lines. The Township retains the right to adjust the \$10,260 per REU Sewer Tap Fee from time to time.

- i. The Township's General Fund shall purchase from the Sewer Fund 401 REUs of excess capacity at the cost of \$10,260 per REU for a total purchase price of \$4,114,260.
- ii. The outstanding balance of the Township Loan of \$2,385,832 shall be deducted from the \$4,114,260 purchase price identified in (b)(i) above, leaving a net payment to the Sewer Fund of \$1,728,428, and resulting in the Township Loan being paid in full.
- iii. \$1,500,000 of the \$1,728,428 net payment to the Sewer Fund shall be paid to the Settlement Fund, and the balance of \$228,428 shall remain in the Sewer Fund.
- c. All payments for the REUs purchased by Sewer System customers of the 401 REUs described in 8(b) shall be paid to the General Fund to reimburse the General Fund for the full \$4,114,260 transferred pursuant to 8(b)(i), and thereafter proceeds from the sale of any additional REUs for the Sewer System shall be deposited into the Sewer Fund.

DISTRIBUTION OF SETTLEMENT FUND

- 9. The "Net Settlement Fund" to be distributed to the Class is the Settlement Fund less the combined total of: (a) attorneys' fees and any incentive award to the Class representatives awarded pursuant to Paragraphs 29-30; and (b) Class Counsel and Claims-Escrow Administrator expenses reimbursed pursuant to Paragraphs 31-32.
- 10. Subject to Paragraph 11 below, each Class Member's share in the Net Settlement Fund shall be referred to herein as his, her or its "Pro Rata Share," and each Class Member's Pro Rata Share of the Net Settlement Fund will be distributed via a payment. The Pro Rata Share to be allocated to each Class Member shall be determined according to Paragraph 11.
- 11. All Class Members may participate in the Settlement by receiving from the Net Settlement Fund a cash distribution payment (as defined in Paragraph 11.b). The Net Settlement Fund shall be distributed as follows:

- a. Within 21 days after the Court's entry of an order preliminarily approving this Settlement, the Township shall provide the Claims-Escrow Administrator with billing and payment records in electronic form that, at a minimum, provide for the Class Period (June 20, 2010 through January 31, 2018) the service address, account number, and billing and payment history for each account associated with the Originally Assessed Properties. The Claims-Escrow Administrator will be responsible for determining all owners associated with the addresses provided since 2010. The Claims-Escrow Administrator will provide notice to the Class Members through first-class mail. The Claims-Escrow Administrator is authorized to utilize the services of the TPA in disseminating notices to the Class. Such forms of notice will not be required to be exclusive and the Claims-Escrow Administrator will be allowed to use any appropriate means to give notice to Class Members of the Settlement and the opportunity to obtain a payment.
- b. To qualify to receive a distribution of cash via check (a "Payment") from the Net Settlement Fund, Class Members will be required to submit sworn claims (the "Claims") which identify their names, addresses, and the periods of time in which they paid the Charges in order to participate in the Settlement. Class Members who submit Claims will hereafter be referred to as the "Claiming Class Members." The Claiming Class Members will be required to submit those claims so that they are received by the Claims-Escrow Administrator no later than thirty (30) days prior to the hearing on the final approval of this settlement, as described in Paragraph 24 (the "Claims Period"). The foregoing is a general outline. The Claims-Escrow Administrator or the TPA will assist in implementing a process designed to minimize fraud and maximize dissemination of the payments to the appropriate parties. In the event that two or more parties claim to have paid or incurred Charges for the same sewer account for the same period of time, the Claims-Escrow Administrator shall have the absolute discretion to determine which party or parties are entitled to

participate in the settlement, and the Township shall cooperate by providing information in its possession concerning the disputed property. The Township will not have responsibility for sorting out payments made by multiple owners for the same parcels.

C. The Claims-Escrow Administrator shall calculate each Claiming Class Member's pro rata share of the Net Settlement Fund (the "Pro Rata Share"). Only those Class Members who paid for sewer service during the Class Period and submit a timely Claim are entitled to distribution of a Pro Rata Share of the Net Settlement Fund. The Claims-Escrow Administrator is authorized to utilize the services of the TPA to calculate the Pro Rata Shares distributable to the Claiming Class Members. The size of each Claiming Class Member's Pro Rata Share shall be determined by (1) calculating the total amount of O&M Charges and Capital Charges the Claiming Class Member paid during the Class Period and then (2) dividing that number by the total amount of O&M Charges and Capital Charges paid during the Class Period by all Claiming Class Members and then (3) multiplying that fraction by the amount of the Net Settlement Fund. An example appears below:

Total Charges paid by Claiming Class Member during the Class Period -- \$8,000.

Total Charges paid during the Class Period by all Claiming Class Members -- \$4,000,000.

Net Settlement Fund - \$1,000,000

Claiming Class Member's Pro Rata Share = \$2,000

12. No later than twenty-one (21) days prior to the hearing on the final approval of this settlement (as described in Paragraph 24), the Claims-Escrow Administrator shall submit to the Court a report setting forth the proposed disposition of the Net Settlement Fund including, without limitation, a list of Claiming Class Members and the percentage of the Net Settlement Fund to be paid to each such Claiming Class Member (the "Distribution Report"). Upon filing of the

Distribution Report, the Claims-Escrow Administrator shall serve copies of the Distribution Report on Counsel for the Township.

- a. The Township shall have fourteen (14) days to object to the Distribution Report. All objections shall be resolved by the Court at or before the final approval hearing.
- b. Class Counsel and Counsel for the Township, within five (5) days after the resolution of any objections to the Distribution Report, or within five (5) days after the deadline for submission of objections if no objections are submitted, whichever is later, shall submit to the Court a stipulated Distribution Order authorizing distribution from the Settlement Fund to the Claiming Class Members entitled to a Pro Rata Share distribution of the Net Settlement Fund ("Stipulated Distribution Order") in accordance with the Distribution Report, subject to the Court's final approval of this Settlement.
- c. The Parties acknowledge that, because Class Members may have moved or ceased doing business since June 20, 2010, complete and current address information may not be available for all Class Members. The Township, Named Plaintiffs, counsel for any Parties, the Claims-Escrow Administrator and the TPA shall not have any liability for or to any member of the Class with respect to determinations of the amount of any distribution of the Settlement Fund to any Class Member or determinations concerning the names or addresses of the Class Members.
- 13. At a time consistent with Paragraph 5, following the entry of the Stipulated Distribution Order, the Claims-Escrow Administrator shall distribute from the Net Settlement Fund the Pro Rata Share of each Claiming Class Member. The Claims-Escrow Administrator is authorized to send checks reflecting Payments due to Claiming Class Members to the address provided by each Claiming Class Member. The Claims-Escrow Administrator is further authorized to transfer its held

portion of the Net Settlement Fund to the TPA so that the TPA can distribute Payments in accordance with this Agreement.

- Shares which: (a) are returned and cannot be delivered by the U.S. Postal Service after the Claims-Escrow Administrator (i) confirms that the checks were mailed to the identified addresses, and (ii) re-mails any checks if errors were made or it becomes aware of an alternative address or payee; or (b) have not been cashed within six (6) months of mailing, shall be refunded to the Township within thirty (30) days after the expiration of the six (6) month period; and the Class Members to whom such checks were mailed shall be forever barred from obtaining any payment from the Settlement Fund. The Township shall deposit any refund in its sewer fund and utilize any refund monies solely for the operation, maintenance and improvement of the Sewer System.
- 15. Within thirty (30) days after the date on which the remaining Net Settlement Fund is distributed back to the Township, the Claims-Escrow Administrator shall file with the Court and serve on counsel for the Parties a document setting forth the names and addresses of, and the amounts paid to, each distributed of funds from the Settlement Fund together with a list of Claiming Class Members entitled to receive a Pro Rata Share but whose distribution checks have been returned or have not been cashed.

PROSPECTIVE RELIEF

16. Effective February 1, 2018, the Township shall cease charging the Class the Capital Charges and shall not impose upon the Class any further Capital Charges or any other charge to recover, in full or in part, the principal, interest, and administrative costs of retiring the debt incurred for the construction of the Sewer System. The Township represents that the Capital Charge billed through the January 31, 2018 billing cycle would be up to \$3,458.99.

Notwithstanding the foregoing, the Parties acknowledge this limitation does not apply to (i) the unpaid portion of any Assessment Charges, or (ii) any additional debt service charges, capital charges or assessments that may result from an expansion, upgrade or replacement of the existing Sewer System. Separate and apart from the \$4,114,260 purchase price for the REUs, which provides for the payment of the \$1,500,000 to the Settlement Fund, the Township's General Fund shall reimburse the Sewer Fund attorney fees in the amount of \$300,000. The Parties agree that, except as provided for in this Agreement, the Township otherwise retains its discretion to adjust rates and charges for all users of the Sewer System in accordance with Michigan law.

- 17. The Township may not levy a tax or other assessment against property owners or sewer customers to finance, in whole or in part, the Settlement Fund (unless such tax or assessment receives voter approval), nor may the Township increase the Rates to finance, in whole or in part, the Settlement Fund. The Settlement Fund shall be financed solely as set forth in Paragraph 8.
 - 18. The Class Members shall release the Township as provided in Paragraph 28 below.
- 19. The Lawsuit will be dismissed with prejudice, subject only to the Court's continuing jurisdiction to enforce the terms of the settlement agreement.
- 20. The Township shall issue a one-time credit in the amount of \$3,800 to the owners of each of the Vacant Parcels that are required in the future to connect a new structure on their Vacant Parcel to the Sewer System. This credit will be issued at such time as a permit is issued to each of the owners of the Vacant Parcels to connect their Vacant Parcels to the Sewer System and will be applied to the Sewer Connection Expense.

CLAIMS-ESCROW ADMINISTRATOR

- 21. The Claims-Escrow Administrator shall not receive a separate fee for its services as Claims-Escrow Administrator. Because Class Counsel is acting as the Claims-Escrow Administrator, the fee awarded to Class Counsel shall be deemed to include compensation for its service as Claims-Escrow Administrator. The Claims-Escrow Administrator, however, shall be entitled to be reimbursed for its out-of-pocket expenses incurred in the performance of its duties (including but not limited to the TPA's charges), which shall be paid solely from the Settlement Fund.
- 22. The Claims-Escrow Administrator, with the assistance of the TPA, shall have the responsibilities set forth in this Agreement, including, without limitation, holding the Settlement Fund in escrow, determining the eligibility of Class Members to receive Payments, determining the Pro Rata Shares, distributing the Payments to Class Members receiving a Pro Rata Share, filing a Distribution Report consistent with Paragraph 12 and overseeing distribution of the remainder of the Net Settlement Fund as required by Paragraph 14. The Claims-Escrow Administrator, with the assistance of the TPA, shall also be responsible for: (a) recording receipt of all responses to the notice; (b) preserving until further Order of the Court any and all written communications from Class Members or any other person in response to the notice; and (c) making any necessary filings with the Internal Revenue Service. The Claims-Escrow Administrator may respond to inquiries, but copies of all written answers to such inquiries will be maintained and made available for inspection by all counsel in this Lawsuit. The Claims-Escrow Administrator may delegate some or all of these responsibilities to the TPA.

23. Any findings of fact of the Claims-Escrow Administrator and/or the TPA shall be made solely for the purposes of the allocation and distribution of the Pro Rata Shares, and, in accordance with Paragraph 36, shall not be admissible for any purpose in any judicial proceeding, except as required to determine whether the claim of any Class Member should be allowed in whole or in part.

NOTICE AND APPROVAL OF SETTLEMENT

- 24. As soon as practicable, but in no event later than five (5) days after the execution of this Agreement, Class Counsel and Counsel for the Township shall submit this Agreement to the Court, pursuant to Michigan Court Rule 3.501, for the Court's preliminary approval, and shall request an Order of the Court, substantially in the form attached as Exhibit "C," including the following terms:
- a. scheduling of a Settlement approval hearing to be held as soon as practicable after the entry of such Order but in no event later than one hundred twenty (120) days thereafter to determine the fairness, reasonableness, and adequacy of this Agreement and the Settlement; whether the Agreement and Settlement should be approved by the Court; and whether to award the attorneys' fees and expenses requested by Class Counsel;
- b. directing that notice, substantially in the form of Exhibit "D," be given to the members of the Class advising them of the following:
- i. the terms of the proposed Settlement consented to by the Named Plaintiffs and the Township;
- ii. the scheduling of a hearing for final approval of the Agreement and Settlement;

- at the hearing to object to approval of the proposed Settlement or the requested attorneys' fees and expenses, provided that, if they choose to appear, they must file and serve written objections at least thirty (30) days prior to the hearing that set forth the name of this matter as defined in the Notice, the objector's full name, address and telephone number, an explanation of the basis upon which the objector claims to be a Class Member, all grounds for the objection including any known legal support for the objection, the number of times in which the objector has objected to a class action settlement in the past five years and a caption of each case in which an objection was filed, the identity of all counsel representing the objector at the hearing, a statement confirming whether the objector intends to appear and/or testify at the hearing (along with a disclosure of all testifying witnesses) and the signature of the objector (not just the objector's attorney);
- iv. the nature of the release to be constructively entered upon approval of the Agreement and Settlement;
- v. the binding effect on all Class Members of the judgment to be entered should the Court approve the Agreement and Settlement; and
- vi. the right of members of the Class to opt out of the Class and/or the Subclass, the procedures for doing so, and the deadlines for doing so, including the deadline with respect to filing and/or serving written notification of a decision to opt out of the Class (such deadline must be at least thirty (30) days prior to the hearing);
- c. providing that the manner of such notice shall constitute due and sufficient notice of the hearing to all persons entitled to receive such notice and requiring that proof of such notice be filed at or prior to the hearing;
 - d. appointing Kickham Hanley PLLC as Claims-Escrow Administrator; and

- 25. Notice to Class Members of the proposed settlement shall be the responsibility of Class Counsel pursuant to orders of the Court. Class Counsel shall be entitled to be reimbursed for the cost of such notice from the Settlement Fund, and Class Counsel shall make application for costs of notice to the Court at least seven (7) days before the Settlement approval hearing with the Court approving any costs at the time of the Settlement approval hearing. Such notice shall be substantially in the form attached hereto as Exhibit "D," and mailed by Class Counsel (or the TPA) to the Class Members at the addresses provided by the Township within thirty-five (35) days of entry of the Order Regarding Preliminary Approval of this Agreement. Class Counsel will also provide publication notice to the Class, which shall be substantially in the form attached hereto as Exhibit "E" and shall be published in the Livingston Press & Argus newspaper on three occasions prior to February 28, 2018.
- After the notice discussed in Paragraphs 24 and 25 has been mailed, the Court shall, consistent with Paragraph 24, conduct a hearing at which it rules on any objections to this Agreement and a joint motion for entry of a Final Order approving of this Settlement and Agreement. If the Court approves this Agreement pursuant to Michigan Court Rule 3.501(E), a final judgment, substantially in the form of Exhibit "F," shall be entered by the Court: (a) finding that the notice provided to Class Members is the best notice practicable under the circumstances and satisfies the due process requirements of the United States and Michigan Constitutions; (b) approving the Settlement set forth in this Agreement as fair, reasonable, and adequate; (c) dismissing with prejudice and without costs to any Party any and all claims of the Class Members against the Township, excluding only those persons who in timely fashion requested exclusion from the Class; (d) awarding Class Counsel attorneys' fees, costs and expenses; (e) reserving jurisdiction over all

matters relating to the administration of this Agreement, including allocation and distribution of the Settlement Fund; and (f) retaining jurisdiction to protect and effectuate this judgment.

27. In the event one or more Class Members timely objects to the Settlement, the parties will cooperate to determine whether the objection can be resolved prior to the final approval hearing. The Parties agree that, in the event an objection is dismissed by the Court and the objecting Class Member files an appeal of the denial of the objection, the parties will request that the Court require the objector to post a bond or other surety sufficient, at a minimum to (1) reimburse the Class for the loss of the use of the Settlement Funds during the pendency of the appeal; and (2) any additional costs or attorneys' fees incurred by the Parties in connection with the appeal. In the event a timely appeal is filed by a person or entity, within 7 days of the filing of that appeal, the Township will place the Settlement Fund in a liquid interest-bearing deposit account with a federally-insured depository bank, for the benefit of the Class. In the event that the Final Approval of the Settlement is reversed on appeal in a final and nonappealable order, the Settlement Fund, and any interest earned on the Settlement Fund, will be retained by the Township. In the event that Final Approval of the Settlement is affirmed on appeal in a final and nonappealable order, the Settlement Fund, and any interest earned on the Settlement Fund, will be distributed to the Class per the procedures set forth in this Agreement.

RELEASE AND COVENANT NOT TO SUE

28. On the Settlement Date, each Class Member who has not timely requested exclusion therefrom shall be deemed to have individually executed, on behalf of the Class Member and his or her heirs, successors and assigns, if any, the following Release and Covenant Not To Sue, and the Final Order and Judgment to be entered by the Court in connection with the approval of this Settlement shall so provide:

In executing the Release and Covenant Not To Sue, each Class Member, on behalf of himself, herself or itself, and his, her or its parents, subsidiaries, affiliates, members, shareholders, predecessors, heirs, administrators, officers, directors, successors, assigns, and any person the Class Member represents, intending to be legally bound hereby, for good and valuable consideration, the receipt of which is hereby acknowledged, hereby absolutely, fully and forever releases, relieves, remises and discharges the Township, and each of its successors and assigns, present and former agents, elected and appointed officials, representatives, employees, insurers, affiliated entities, attorneys and administrators, of and from any and all manner of actions, causes of action, suits, debts, accounts, understandings, contracts, agreements, controversies, judgments, consequential damages, compensatory damages, punitive damages, claims, liabilities, and demands of any kind or nature whatsoever, known or unknown, which arise from the beginning of time through January 31, 2018 concerning the Township's imposition and collection of the (i) the Assessment Charges, (ii) the Capital Charges, (iii) the O&M Charges, (iv) the Sewer Connection Expenses, and (v) Lawsuit Expenses. This release is intended to include all claims that were asserted or could have been asserted in the Lawsuit concerning the Township's imposition and collection of the (i) the Assessment Charges, (ii) the Capital Charges, (iii) the O&M Charges, (iv) the Sewer Connection Expenses, and (v) Lawsuit Expenses with the exception of claims to enforce the terms of this Settlement Agreement. In executing the Release and Covenant Not to Sue, each Class Member also covenants that: (a) except for actions or suits based upon breaches of the terms of this Agreement or to enforce rights provided for in this Agreement, he, she or it will refrain from commencing any action or suit, or prosecuting any pending action or suit, in law or in equity, against the Township on account of any action or cause of action released whereby; (b) none of the claims released under the Release and Covenant Not To Sue has been assigned to any other party; and (c) he, she or it accepts and assumes the risk that if any fact or circumstance is found, suspected, or claimed hereinafter to be other than or different from the facts or circumstances now believed to be true, the Release and Covenant Not To Sue shall be and remain effective notwithstanding any such difference in any such facts or circumstances. The foregoing shall not affect the claims of any Class Member alleging that their individual sewer bills were calculated in error on the basis of facts or circumstances unique to such class member and not based on the claims that were or could have been asserted by the Class in the Lawsuit.

ATTORNEYS' FEES AND EXPENSES

- 29. Class Counsel shall be paid an award of attorneys' fees, costs, and expenses from the Settlement Fund. For purposes of an award of attorneys' fees and costs, the Settlement Fund shall be deemed to be a "common fund," as that term is used in the context of class action settlements. Class Counsel shall not make an application for any attorneys' fees and costs which are in addition to the "common fund" attorneys' fees and costs contemplated by this Agreement.
- 30. The amount of attorneys' fees, costs and expenses to be paid to Class Counsel shall be determined by the Court applying legal standards and principles applicable to awards of attorneys' fees and costs from common fund settlements in class action cases. Class Counsel agrees that it will not seek an award of attorneys' fees in excess of Thirty-Three Percent (33%) of the Settlement Fund, and the Township agrees that it will not oppose Class Counsel's fee request, provided it complies with this Agreement. The Parties agree that Class Counsel may seek Court approval of an incentive award on behalf of class representatives Barbara Potocki and Dennis Shoner in an amount not to exceed Ten Thousand Dollars (\$10,000) each to be paid solely from the Settlement Fund.
- 31. The award of attorneys' fees, costs and expenses to be paid from the Settlement Fund to Class Counsel pursuant to Paragraph 29 does not include any out-of-pocket expenses incurred by Kickham Hanley PLLC acting in its capacity as Claims-Escrow Administrator. The Claims-Escrow Administrator shall make a separate application for such expenses.
- 32. The Court shall determine and approve the award of attorneys' fees and costs to Class Counsel, reimbursement of the expenses incurred by the Claims-Escrow Administrator, and any incentive award to Named Plaintiffs in connection with the Final Approval hearing. The attorneys' fees, costs and expenses awarded to Class Counsel and the Claims-Escrow Administrator

and any incentive award to Named Plaintiffs shall be paid from the Settlement Fund upon the Settlement Date.

TERMINATION

- 33. If this Agreement and Settlement is disapproved, in part or in whole, by the Court; if dismissal of the Lawsuit with prejudice against the Township cannot be accomplished; if the Court does not enter an Order of Preliminary Approval substantially in the form attached as Exhibit "C" within twenty-one (21) days after its submission to the Court; if a final judgment on the terms set forth in Paragraph 24 is not entered within one hundred fifty (150) days after the entry of the Order of Preliminary Approval substantially in the form attached as Exhibit "D"; or if an appellate court reverses the approval of the Settlement and the Settlement Fund is retained by the Township pursuant to Paragraph 27:
- a. This Agreement shall have no further force and effect and it and all negotiations and proceedings connected therewith shall be without prejudice to the rights of the Township, the Named Plaintiff and the Class;
- b. The Claims-Escrow Administrator shall immediately return to the Township the Settlement Fund; and
- c. The Parties shall return to the status quo ante in the Lawsuit as if the Parties had not entered into this Agreement, and all of the Parties' respective pre-Settlement claims and defenses will be preserved.
- 34. The Township and Class Counsel may, in their sole and exclusive discretion, elect to waive any or all of the terms, conditions or requirements stated in Paragraph 33. Such waiver must be memorialized in a writing signed by the Township and/or its Counsel and Class Counsel, or it will have no force or effect.

- 35. The Township and Class Counsel may, in their sole and exclusive discretion, agree to extend any or all of the deadlines stated in Paragraph 33.
- 36. In the event the Settlement is terminated in accordance with Paragraph 33, any discussions, offers, negotiations, or information exchanged or court filings in association with this Settlement shall not be discoverable or offered into evidence or used in the Lawsuit or any other action or proceeding for any purpose. In such event, all Parties to the Lawsuit shall stand in the same position as if this Agreement had not been negotiated, made or filed with the Court.

USE OF THIS AGREEMENT

- 37. Except to the extent required to enforce its terms, this Agreement, the Settlement provided for herein (whether or not consummated), and any proceedings taken pursuant to this Agreement shall not be:
- a. construed by anyone for any purpose whatsoever as, or deemed to be, evidence of a presumption, concession or an admission by the Township of the truth of any fact alleged or the validity of any claims, or of the deficiency or waiver of any defense that has or could have been asserted in the Lawsuit, or of any liability, fault or wrongdoing on the part of the Township; or
- b. offered or received as evidence of a presumption, concession or an admission of any liability, fault, or wrongdoing, or referred to for any other reason by the Named Plaintiffs, Class Members, or Class Counsel in the Lawsuit, or any other person or entity not a party to this Agreement in any other action or proceeding other than such proceedings as may be necessary to effectuate the provisions of this Agreement; or

- c. construed by anyone for any purpose whatsoever as an admission or concession that the Settlement amount represents the amount which could be or would have been recovered after trial, or the applicable time frame for any purported amounts of recovery.
- d. construed more strictly against one Party than the other, this Agreement having been prepared by Counsel for the Parties as a result of arms-length negotiations between the Parties.

WARRANTIES

- 38. Class Counsel further warrants that in its opinion the Settlement Fund represents fair consideration for and an adequate settlement of the claims of the Class released herein.
- 39. The undersigned have secured the consents of all persons necessary to authorize the execution of this Agreement and related documents and they are fully authorized to enter into and execute this Agreement on behalf of the Parties.
- 40. Class Counsel deems this Agreement to be fair and reasonable, and has arrived at this Agreement in arms-length negotiations taking into account all relevant factors, present or potential.
- 41. The Parties intend this Agreement to be a final and complete resolution of all disputes between them with respect to the claims arising in the Lawsuit.
- 42. The Parties have relied upon the advice and representation of counsel, selected by them, concerning their respective legal liability for the claims hereby released. The Parties have read and understand fully this Agreement, and have been fully advised as to the legal effect thereof by their respective Counsel and intend to be legally bound by the same.

BINDING EFFECT AND ENFORCEMENT

- 43. All covenants, terms, conditions and provisions of this Agreement shall be binding upon, inure to the benefit of, and be enforceable by the respective predecessors and successors, and past and present assigns, heirs, executors, administrators, legal representatives, trustees, subsidiaries, divisions, affiliates, parents (and subsidiaries thereof), partnerships and partners, and all of their officers, directors, agents, employees and attorneys, both past and present, of each of the Parties hereto. It is understood that the terms of this paragraph are contractual and not a mere recital.
- 44. This Agreement, with the attached Exhibits A through F, constitutes a single, integrated written contract and sets forth the entire understanding of the Parties. Any previous discussions, agreements, or understandings between or among the Parties regarding the subject matter herein are hereby merged into and superseded by this Agreement. No covenants, agreements, representations, or warranties of any kind whatsoever have been made by any Party hereto, except as provided for herein.
- 45. All of the Exhibits attached hereto are hereby incorporated by reference as though fully set forth herein.
- 46. This Agreement shall be construed and governed in accordance with the laws of the State of Michigan.
- 47. Before filing any motion in the Court raising a dispute arising out of or related to this Agreement, the Parties shall consult with each other and discuss submitting any disputes to non-binding mediation. The Parties shall also certify to the Court that they have consulted and either have been unable to resolve the dispute in mediation or are unwilling to submit the dispute to mediation and the reasons why.

- 48. The named Plaintiffs, Class Counsel, and Class Members (other than pursuant to the objection process described, *supra*), shall refrain from defaming the Township and/or taking any action designed to harm the public perception of the Township, concerning only the Agreement or the Lawsuit. This provision shall not limit any otherwise-lawful actions on the part of the Named Plaintiffs, Class Counsel and/or Class Members with respect to any other subject matter.
- 49. The Court shall retain jurisdiction with respect to the implementation and enforcement of the terms of this Agreement, and the Parties shall submit to jurisdiction of the Court for purposes of implementing and enforcing the settlement reflected in this Agreement.

MODIFICATION AND EXECUTION

- 50. This Agreement may be executed in counterparts, all of which shall constitute a single, entire agreement.
- 51. Change or modification of this Agreement, or waiver of any of its provisions, shall be valid only if contained in a writing executed on behalf of all the Parties hereto by their duly authorized representatives.
- 52. This Agreement shall become effective and binding (subject to all terms and conditions herein) upon the Parties when it has been executed by the undersigned representatives of the Parties.

#### AMENDED STIPULATED ORDER REGARDING PRELIMINARY APPROVAL OF CLASS ACTION SETTLEMENT, NOTICE AND SCHEDULING

At a session of said Court held in the
City of Howell, County of Livingston
State of Michigan on
PRESENT: HON.
Circuit Court Iudee

Plaintiffs commenced this action in the Eastern District of Michigan which was dismissed by stipulation and refiled as the above captioned lawsuit (the "Lawsuit") in Livingston County Circuit Court challenging an initial assessment of \$12,400 per Residential Equivalent Unit ("REU") (the

"Assessment Charge"), a debt service charge (the "Capital Charge") and an operations and maintenance Charge (the "O&M Charge") imposed by the Township on users of the Township's sanitary sewer collection and treatment system (the "Sewer System"). Plaintiffs allege that the inclusion of such charges in the Township's sewer rates (the "Rates") are motivated by a revenue-raising and not a regulatory purpose, that they are disproportionate to the Township's actual costs of providing sanitary sewage disposal services, and that (1) the Charges are therefore unlawful under the Headlee Amendment to the Michigan Constitution; and (2) by collecting the charges, the Township has unlawfully retained the charges under other statutory and common law theories. On May 16, 2017, the Named Plaintiffs filed a First Amended Complaint in Livingston County Circuit Court which removed the claims based upon the Assessment Charge, but continued to assert claims based upon the O&M Charge and the Capital Charge (collectively referred to hereafter as the "Charges").

Plaintiff and Defendant seek preliminary approval of the of the Class Action Settlement Agreement to resolve this Lawsuit (referred to as the "Agreement" and attached as Exhibit 1) for purposes of, among other things, notifying class members of the proposed settlement; and intend to make application to this Court, pursuant to MCR 3.501(E), for a Final Order approving the settlement of this class action in accordance with the terms set forth in the Agreement ("Settlement");

The Court has been made aware of the process leading to the Agreement reached, and counsel have demonstrated that the Settlement was the result of arm's length bargaining of counsel well versed in all of the issues, along with the assistance of a Court appointed mediator.

#### IT IS HEREBY ORDERED:

1. The Court preliminarily approves the terms of the Agreement, and pursuant to MCR 3.501, the "Class," as defined in Paragraph 2 of the Agreement, is hereby certified for purposes of the Settlement provided in the Agreement only.

- 2. A hearing (the "Settlement Hearing") will be held before this Court on April 26, 2018, at 9:30 a.m. to determine whether the proposed Settlement on the terms and conditions provided in the Agreement is fair, reasonable, and adequate and should be approved by the Court, to determine whether a final judgment should be entered dismissing this Lawsuit with prejudice, and without costs, and to determine whether to award attorneys' fees and expenses to Class Counsel and the amount of such fees and expenses.
- 3. The notification to the members of the Class regarding the Settlement, as authorized in Paragraphs 4 and 6 of this Order, is the best notice practicable under the circumstances, is in compliance with MCR 3.501, and the requirements of due process of law, and will adequately inform class members of their rights.
- 4. On or before 28 days from the entry of this Order, Plaintiff's Counsel shall cause a Notice of Proposed Class Action Settlement ("Notice"), substantially in the form attached to the Agreement as Exhibit "D," to be mailed to members of the Class at the service addresses for Defendant's accounts. Plaintiff shall arrange for the publication of notice, substantially in the form attached to the Agreement as Exhibit "E", in the Livingston Press & Argus newspapers on three occasions prior to February 28, 2018.
- 5. The law firm of Kickham Hanley PLLC ("KH") is hereby appointed as Claims-Escrow Administrator for this Action. KH is authorized to use the services of the Garden City Group, as provided in the Agreement.
- 6. Any Class member that has filed and served written objections on or before March 6, 2018 in the manner described in Exhibits D and E of the Agreement, may appear personally, or by counsel of his or her own choice and at his or her own expense at the Settlement Hearing to show cause why: (a) the proposed settlement of the claims asserted should or should not be approved as fair, just, reasonable, adequate and in good faith; (b) judgment should or should not be

entered thereon; (c) the Plaintiff attorneys' fees and expenses and Claims-Escrow Administrator expenses should or should not be paid; and (d) the Court should nor should not grant relief on other matter(s) that may be considered by the Court at or in connection with said Settlement Hearing.

- 7. Any Class member who does not object in the manner provided above will be deemed to have waived such objection to the fairness, adequacy, or reasonableness of the proposed Settlement and the awards of attorney's fees and expenses it provides for.
- Administrator. The Claims-Escrow Administrator shall be responsible for holding the Settlement Fund in escrow, reviewing claims for, determining, and allocating each Class Member's Pro Rata Share of the Net Settlement Fund, and filing a report of proposed payment and credit distributions of those Pro Rata Shares as provided in Paragraphs 9, 10, 11 and 12 of the Agreement, and after Court approval at the Settlement Hearing, to distribute and account for the disposition of the Net Settlement Fund as provided in Paragraphs 13, 14, and 15 of the Agreement. The Claims-Escrow Administrator shall also be responsible for: (a) recording receipt of all responses to the Notice; (b) preserving until further Order of this Court any and all written communications from Class members or any other person in response to the Notice; and (c) making any necessary filings with the Internal Revenue Service. The Claims-Escrow Administrator may respond to inquiries, but copies of all written answers to such inquiries will be maintained and made available for inspection by all counsel in this action.
- 9. All papers in support of the settlement shall be filed with the Court and served on the other parties no later than seven (7) days prior to the Settlement Hearing.
- 10. The Court expressly reserves its right to adjourn the Settlement Hearing without any further notice to members of the Class. The Court retains jurisdiction of this action to consider all further applications arising out of or connected with the proposed Settlement.

11. All pretrial and trial proceedings in the Lawsuit are stayed and suspended until

further order of the Court. Pending the final determination of the fairness, reasonableness and

adequacy of the Settlement, no Plaintiff or member of the Class may institute or commence any

action or proceeding against Defendant asserting any of the claims asserted in this action.

12. Subject to the terms of Paragraphs 13-14 below, if the Agreement and Settlement is

disapproved, in part or in whole, by the Court, or any appellate court; if dismissal of the Lawsuit

with prejudice against Defendant cannot be accomplished; if a final judgment on the terms set forth

in Paragraph 25 of the Agreement is not entered within 120 days after the entry of this Order; if the

Settlement Date defined in Paragraph 5 of the Agreement does not occur; or if the Agreement and

Settlement otherwise is not fully consummated and effected:

a. The Agreement shall have no further force and effect and it and all negotiations and

proceedings connected therewith shall be without prejudice to the rights of Defendant, the Named

Plaintiff and the Class; and

b. The Court shall enter a new Scheduling Order granting reasonable continuances of

the previously established scheduling dates, including a new trial date, for the Parties to resume their

preparations for trial and respond to the Court's rulings on Plaintiff's pending class certification

motion and Defendant's pending motion for partial summary disposition.

13. Defendant and Class Counsel may, in their sole and exclusive discretion, elect to

waive any or all of the terms, conditions or requirements, or extend any or all of the deadlines stated

in Paragraph 12. Such waiver or extension must be memorialized in a writing signed by Defendant

and/or its counsel and Class Counsel and delivered via certified mail to opposing counsel, or it will

have no force or effect. Any such waiver or extension shall not be binding on the Court.

Dated: _____, 2018.

TO: All persons and entities which have paid the Township of Brighton (the "Township") for sanitary sewage disposal services at any time between June 20, 2010 and January 31, 2018

You are hereby notified that a proposed settlement in the amount of \$1,500,000 has been reached with the Township of Brighton in a class action lawsuit pending in Livingston County Circuit Court titled Shoner v. Charter Township of Brighton, Case No. 16-29165-CZ, presiding Judge David Reader, which challenged a debt service charge (the "Capital Charge") and an operations and maintenance charge (the "O&M Charge," collectively, the "Charges") imposed by the Township on users of its sanitary sewage disposal service. Plaintiffs brought these claims on behalf of themselves and a class of all others similarly situated.

Plaintiffs are individuals who are originally assessed sanitary sewer customer and who have paid the Charges imposed by the Township. Plaintiffs allege that the inclusion of such Charges in the Township's sewer rates (the "Rates") are motivated by a revenue-raising and not a regulatory purpose, that they are disproportionate to the Township's actual costs of providing sanitary sewage disposal services, and that (1) the Charges are therefore unlawful under the Headlee Amendment to the Michigan Constitution and (2) by collecting the Charges the Township has been unjustly enriched. Plaintiffs further claim that the Township has improperly included in the O&M Charges amounts intended to reimburse the Township for attorneys' fees and other expenses it has incurred and/or paid in connection with this Lawsuit (the "Lawsuit Expenses"). Plaintiffs sought a judgment from the court against the Township that would order and direct the Township to refund all Charges to which Plaintiffs and the class are entitled and any other appropriate relief.

The Township denies that the Charges are improper; denies that it has intentionally or negligently committed any unlawful, wrongful or tortious acts or omissions, violated any constitutional provision or statute, or breached any duties of any kind whatsoever; denies that it is in any way liable to any member of the Class; and states that the claims asserted in the Lawsuit have no substance in fact or law, and the Township has meritorious defenses to such claims; but, nevertheless, has agreed to enter into a Settlement Agreement to avoid further expense, inconvenience, and distraction and risks of burdensome and protracted litigation, and to obtain total and final peace, satisfaction and protection from the claims asserted in the Lawsuit.

There is a subset of the Class that consists of the owners of vacant parcels who have paid, or are paying, the Assessment Charge and Capital Charge for their respective parcels. The Township believes there is a dispute, not raised in Plaintiffs' pleadings, as to whether, once a structure is constructed on each of the Vacant Parcels, it is the responsibility of the Township or the owner of each respective Vacant Parcels to (a) pay for the costs associated with providing a grinder pump on the Vacant Parcel, and/or (b) pay for the costs associated with connecting the structures on each of the Vacant Parcels to the Sewer System ((a) and (b) are collectively referred hereafter as the "Sewer Connection Expense").

On _____, the Court entered an order preliminarily approving the settlement in this matter and certifying the Lawsuit as a class action. You are receiving this Notice because the Township's records

indicate that you paid for sanitary sewage disposal services between June 20, 2010 and January 31, 2018 and are therefore a member of the Class and/or the Subclass, as described below.

For settlement purposes, the parties have agreed that the Class includes all persons or entities that are or were the owners or occupiers of the "Originally Assessed Properties" (as defined below) and who/which paid the Township, or incurred fees, for service from the Sewer System at any time between June 20, 2010 and January 31, 2018 (the "Class"). The "Originally Assessed Properties" shall be those properties that comprise the 1029 parcels that were included in the Special Assessment District described in Plaintiffs' First Amended Complaint. The Parties have further stipulated to certification of a subclass, consisting of members of the Class who are the owners of the Vacant Parcels (the "Subclass"). The Class does not include the Township itself or any owner or occupiers of any properties other than the Originally Assessed Properties who/which paid the Township, or incurred fees, for service from the Sewer System. The settlement in this matter is intended to settle all of the claims of the members of the Class ("Class Members") relating to (i) the Assessment Charges, (ii) the Capital Charges, (iii) the O&M Charges, and (iv) the Lawsuit Expenses. The settlement also settles the claims of the Subclass regarding any disputes related to the Sewer Connection Expenses.

The principal terms of the Settlement Agreement are as follows:

For the purposes of the proposed Settlement, the Township expressly denics any and all allegations that it acted improperly, but, to avoid litigation costs, the Township has agreed to create a settlement fund in the aggregate amount of One Million Five Hundred Thousand Dollars (\$1,500,000) for the benefit of the Class ("Settlement Amount"). The Settlement Amount will be utilized, with Court approval, to provide refunds to the Class, and to pay Class Counsel an award of attorneys' fees, the total amount of which shall not exceed 33% of the Settlement Amount, and expenses for the conduct of the litigation.

The "Net Settlement Fund" is the Settlement Amount less the combined total of: (a) the attorneys' fees awarded to Class Counsel by the Court; (b) expenses reimbursed pursuant to the terms of the Settlement; (c) out-of-pocket expenses of the Claims-Escrow Administrator, and (d) any incentive awards made by the Court to the class representatives in an amount not to exceed \$10,000.

The Net Settlement Fund shall be used to pay Class Members as described below.

All Class Members may participate in the settlement of this case by receiving from the Net Settlement Fund a cash distribution payment. To qualify to receive a distribution of cash via check (a "Payment") from the Net Settlement Fund, Class Members will be required to submit sworn claims (the "Claims") which identify their names, addresses, and the periods of time in which they paid the Charges in order to participate in the Settlement. Class Members who submit Claims will hereafter be referred to as the "Claiming Class Members." The Claiming Class Members will be required to submit those claims so that they are received

by the Claims-Escrow Administrator no later than March 22, 2018. A claim form is enclosed with this Notice.

The Claims-Escrow Administrator shall calculate each Claiming Class Member's pro rata share of the Net Settlement Fund (the "Pro Rata Share"). Only those Class Members who paid for sewer service during the Class Period and submit a timely Claim are entitled to distribution of a Pro Rata Share of the Net Settlement Fund. The size of each Claiming Class Member's Pro Rata Share shall be determined by (1) calculating the total amount of O&M Charges and Capital Charges the Claiming Class Member paid during the Class Period and then (2) dividing that number by the total amount of O&M Charges and Capital Charges paid during the Class Period by all Claiming Class Members and then (3) multiplying that fraction by the amount of the Net Settlement Fund.

In addition to the refund and assignment of claims described above, the parties have agreed that Effective February 1, 2018, the Township shall cease charging the Class the Capital Charges and shall not impose upon the Class any further Capital Charges or any other charge to recover, in full or in part, the principal, interest, and administrative costs of retiring the debt incurred for the construction of the Sewer System.

The Township has also agreed that its General Fund shall reimburse the Sewer Fund for attorney fees in the amount of \$300,000.

The parties also agreed that the Township shall issue a one-time credit in the amount of \$3,800 to the owners of each of the Vacant Parcels that are required in the future to connect a new structure on their Vacant Parcel to the Sewer System. This credit will be issued at such time as a permit is issued to each of the owners of the Vacant Parcels to connect their Vacant Parcels to the Sewer System and will be applied to the Sewer Connection Expense.

The parties agreed that the Township otherwise retains its discretion to adjust rates and charges for all users of the Sewer System in accordance with Michigan law. The Township may not levy a tax or other assessment against property owners or sewer customers to finance, in whole or in part, the Settlement Fund (unless such tax or assessment receives voter approval), nor may the Township include as a recoverable cost in the setting of the Rates, any amounts that the Township's General Fund has contributed to the Settlement Fund.

The Settlement Fund shall be financed solely from current assets of the Township's General Fund as follows and the Township has agreed to make the \$1,500,000 payment to the Settlement Fund from the General Fund for the following reasons:

- i. The Township represents that it has previously loaned the Sewer System \$2,385,832 from the Township's General Fund to assist the Sewer System in paying its outstanding sewer bond obligations, its O&M expenses, and Capital Reserve Fund contributions (the "Township Loan").
- ii. There are at least 401 REUs for the Sewer System that have not been allocated to new users, and the current fee for each new REU is \$10,260.
- iii. The Township Board is willing to have the Township's General Fund contribute cash to the Township's Sewer Fund in exchange for the Township's General Fund obtaining the right to receive the REU charges (currently \$10,260 per REU) for 401 of the REUs to be allocated in the future to new users.
- iv. The flow of funds in connection with the transfer of the right to receive payment for the 401 REUs is set forth below.
- v. As part of the transfers described herein, the Township Loan to the Sewer Fund and all accrued interest are being paid in full.

The flow of funds for the \$1,500,000 payment to the Settlement Fund shall be as follows:

- i. The Township's General Fund shall purchase from the Sewer Fund 401 REUs of excess capacity at the cost of \$10,260 per REU for a total purchase price of \$4,114,260.
- ii. The outstanding balance of the Township Loan of \$2,385,832 shall be deducted from the \$4,114,260 purchase price identified above, leaving a net payment to the Sewer Fund of \$1,728,428, and resulting in the Township Loan being paid in full.
- iii. \$1,500,000 of the \$1,728,428 net payment to the Sewer Fund shall be paid to the Settlement Fund, and the balance of \$228,428 shall remain in the Sewer Fund.

All payments for the REUs purchased by Sewer System customers of the 401 REUs described above shall be paid to the General Fund to reimburse the General Fund for the full \$4,114,260 transferred pursuant to the above, and thereafter proceeds from the sale of any additional REUs for the Sewer System shall be deposited into the Sewer Fund.

The Claiming Class Members shall release the Township as provided below.

Class Members who wish to exclude themselves from the Settlement may write to the Administrator, stating that they do not wish to participate in the Settlement and that they wish to retain their right to file an action against the Township. This proposed settlement should not be interpreted, in any way, as suggesting that the claims alleged against the Township have legal or factual merit. The Township has challenged the validity of Plaintiffs' claims and many of the substantive legal and factual issues have not been resolved.

This request for exclusion must be postmarked no later than March 22, 2018 and mailed to: Kickham Hanley PLLC, 32121 Woodward Avenue, Suite 300, Royal Oak, Michigan 48073.

By remaining a Class Member, you will be bound by the terms of the proposed settlement and will be barred from bringing a separate action against the Township for the claims asserted in the Lawsuit at your own expense through your own attorney. You will, however, receive your pro rata share of the Net Settlement Fund if submit a timely claim and you do not request exclusion from the Class. If you were to successfully pursue such a separate action to conclusion, recovery might be available to you which is not available in this class action settlement. Whether to remain a member of this class or to request exclusion from this class action to attempt to pursue a separate action at your own expense without the assistance of the City in this Action is a question you should ask your own attorney. Class Counsel cannot and will not advise you on this issue.

Pursuant to the Order of the Court dated ________, 2018, a Settlement Hearing will be held in the Livingston County Circuit Court, at 9:30 a.m., on April 26, 2018, to determine whether the proposed Settlement as set forth in the Settlement Agreement dated Janaury ______, 2018, is fair, reasonable, and adequate and should be approved by the Court, whether the Lawsuit should be dismissed pursuant to the Settlement and whether counsel for Plaintiff Class should be awarded counsel fees and expenses. At the Settlement Hearing, any member of the Class may appear in person or through counsel and be heard to the extent allowed by the Court in support of, or in opposition to, the fairness, reasonableness and adequacy of the proposed Settlement. However, no Class member will be heard in opposition to the proposed Settlement and no papers or briefs submitted by any such Class member will be accepted or considered by the Court unless on or before March 22, 2018 such Class member (i) files with the Clerk of the Court notice of that person's intention to appear, proof of class membership, written objections that indicate the basis for such opposition, and any supporting papers and briefs; and (ii) serves by first class mail copies thereof upon each of the following attorneys:

TO: All persons and entities which have paid the Township of Brighton (the "Township") for sanitary sewage disposal services at any time between June 20, 2010 and January 31, 2018

You are hereby notified that a proposed settlement in the amount of \$1,500,000 has been reached with the Township of Brighton in a class action lawsuit pending in Livingston County Circuit Court titled Shoner v. Charter Township of Brighton, Case No. 16-29165-CZ, presiding Judge David Reader, which challenged a debt service charge (the "Capital Charge") and an operations and maintenance charge (the "O&M Charge," collectively, the "Charges") imposed by the Township on users of its sanitary sewage disposal service. Plaintiffs brought these claims on behalf of themselves and a class of all others similarly situated.

Plaintiffs are individuals who are originally assessed sanitary sewer customer and who have paid the Charges imposed by the Township. Plaintiffs allege that the inclusion of such Charges in the Township's sewer rates (the "Rates") are motivated by a revenue-raising and not a regulatory purpose, that they are disproportionate to the Township's actual costs of providing sanitary sewage disposal services, and that (1) the Charges are therefore unlawful under the Headlee Amendment to the Michigan Constitution and (2) by collecting the Charges the Township has been unjustly enriched. Plaintiffs further claim that the Township has improperly included in the O&M Charges amounts intended to reimburse the Township for attorneys' fees and other expenses it has incurred and/or paid in connection with this Lawsuit (the "Lawsuit Expenses"). Plaintiffs sought a judgment from the court against the Township that would order and direct the Township to refund all Charges to which Plaintiffs and the class are entitled and any other appropriate relief.

The Township denies that the Charges are improper; denies that it has intentionally or negligently committed any unlawful, wrongful or tortious acts or omissions, violated any constitutional provision or statute, or breached any duties of any kind whatsoever; denies that it is in any way liable to any member of the Class; and states that the claims asserted in the Lawsuit have no substance in fact or law, and the Township has meritorious defenses to such claims; but, nevertheless, has agreed to enter into a Settlement

Agreement to avoid further expense, inconvenience, and distraction and risks of burdensome and protracted litigation, and to obtain total and final peace, satisfaction and protection from the claims asserted in the Lawsuit.

There is a subset of the Class that consists of the owners of vacant parcels who have paid, or are paying, the Assessment Charge and Capital Charge for their respective parcels. The Township believes there is a dispute, not raised in Plaintiffs' pleadings, as to whether, once a structure is constructed on each of the Vacant Parcels, it is the responsibility of the Township or the owner of each respective Vacant Parcels to (a) pay for the costs associated with providing a grinder pump on the Vacant Parcel, and/or (b) pay for the costs associated with connecting the structures on each of the Vacant Parcels to the Sewer System ((a) and (b) are collectively referred hereafter as the "Sewer Connection Expense").

On ______, the Court entered an order preliminarily approving the settlement in this matter and certifying the Lawsuit as a class action. You are receiving this Notice because the Township's records indicate that you paid for sanitary sewage disposal services between June 20, 2010 and January 31, 2018 and are therefore a member of the class and/or the subclass.

The Settlement Agreement is intended to settle all of the claims of the Class and Subclass and was reached with the assistance of a Court-appointed mediator. The principal terms of the Settlement Agreement are as follows:

For the purposes of the proposed Settlement, the Township expressly denies any and all allegations that it acted improperly, but, to avoid litigation costs, the Township has agreed to create a settlement fund in the aggregate amount of One Million Five Hundred Thousand Dollars (\$1,500,000) for the benefit of the Class ("Settlement Amount"). All Class Members may participate in the settlement of this case by receiving from the Net Settlement Fund a cash distribution payment. To qualify to receive a distribution of cash via check (a "Payment") from the Net Settlement Fund, Class Members will be required to submit sworn claims (the "Claims") which identify their names, addresses, and the periods of time in which they paid the Charges in order to participate in the Settlement.

In addition to the refund and assignment of claims described above, the parties have agreed that Effective February 1, 2018, the Township shall cease charging the Class the Capital Charges and shall not impose upon the Class any further Capital Charges or any other charge to recover, in full or in part, the principal, interest, and administrative costs of retiring the debt incurred for the construction of the Sewer System.

The Township has agreed that its General Fund shall reimburse the Sewer Fund for attorney fees in the amount of \$300,000.

The parties also agreed that the Township shall issue a one-time credit in the amount of \$3,800 to the owners of each of the Vacant Parcels that are required in the future to connect a new structure on their Vacant Parcel to the Sewer System. This credit will be issued at such time as a permit is issued to each of the owners of the Vacant Parcels to connect their Vacant Parcels to the Sewer System and will be applied to the Sewer Connection Expense.

For the reasons stated on the record, IT IS HEREBY FOUND, ORDERED, ADJUDGED AND DECREED AS FOLLOWS:

- 1. The terms of the Agreement are fair, reasonable and adequate and in the best interests of the members of the Class and are hereby approved. With respect to its determination that the Agreement is fair, reasonable and adequate, the Court specifically notes the Agreement was reached with the participation of a highly-respected Court-appointed mediator, and the Agreement reflects a substantial benefit to the class and subclass.

Plaintiff Dennis Shoner is granted an incentive award of \$10,000, to be paid as set forth in the Agreement.
- 6. Nothing in this Final Judgment and Order or the Agreement and no aspect of the Settlement is or shall be deemed or construed to be an admission, concession or evidence of any violation of any statute or law or any liability or wrongdoing by the Defendant Township or released party or of the truth of any of the factual or legal claims or allegations relating to the subject matter of the released claims.
- 7. Class Members who previously did not submit a timely and valid Request for Exclusion are deemed to have executed the following Release and Covenant not to Sue which is hereby approved by the Court:

In executing the Release and Covenant Not To Sue, each Class Member, on behalf of himself, herself or itself, and his, her or its parents, subsidiaries, affiliates, members, shareholders, predecessors, heirs, administrators, officers, directors, successors, assigns, and any person the Class Member represents, intending to be legally bound hereby, for good and valuable consideration, the receipt of which is hereby acknowledged, hereby absolutely, fully and forever releases, relieves, remises and discharges the Township, and each of its successors and assigns, present and former agents, elected and appointed officials, representatives, employees, insurers,

affiliated entities, attorneys and administrators, of and from any and all manner of actions, causes of action, suits, debts, accounts, understandings, contracts, agreements, controversies, judgments, consequential damages, compensatory damages, punitive damages, claims, liabilities, and demands of any kind or nature whatsoever, known or unknown, which arise from the beginning of time through January 31, 2018 concerning the Township's imposition and collection of the (i) the Assessment Charges, (ii) the Capital Charges, (iii) the O&M Charges, (iv) the Sewer Connection Expenses, and (v) Lawsuit Expenses. This release is intended to include all claims that were asserted or could have been asserted in the Lawsuit concerning the Township's imposition and collection of the (i) the Assessment Charges, (ii) the Capital Charges, (iii) the O&M Charges, (iv) the Sewer Connection Expenses, and (v) Lawsuit Expenses with the exception of claims to enforce the terms of this Settlement Agreement. In executing the Release and Covenant Not to Sue, each Class Member also covenants that: (a) except for actions or suits based upon breaches of the terms of this Agreement or to enforce rights provided for in this Agreement, he, she or it will refrain from commencing any action or suit, or prosecuting any pending action or suit, in law or in equity, against the Township on account of any action or cause of action released whereby; (b) none of the claims released under the Release and Covenant Not To Sue has been assigned to any other party; and (c) he, she or it accepts and assumes the risk that if any fact or circumstance is found, suspected, or claimed hereinafter to be other than or different from the facts or circumstances now believed to be true, the Release and Covenant Not To Sue shall be and remain effective notwithstanding any such difference in any such facts or circumstances. The foregoing shall not affect the claims of any Class Member alleging that their individual sewer bills were calculated in error on the basis of facts or circumstances unique to such class member and not based on the claims that were or could have been asserted by the Class in the Lawsuit.

- 8.
